EDUCATION

University of Florida, Gainesville, Florida	2025-Present
• Major: Aerospace Engineering (BS). • Coursework: Computer Aided Graphics and Design, Physics with Calculus 1, Analytic Geometry and Calculus 3, Engineering Mechanics: Statics.	
Florida International University, Miami, Florida (Dual Enrollment)	2023-2025
• Coursework: Principles of Interdisciplinary Engineering, Computer Science for Everyone, Programming in JAVA, Introduction to Circuits and Electronic Hardware, Introduction to CAD for Mechanical Engineers.	
Robert Morgan Educational Center, Miami, Florida	2020-2025
Weighted GPA: 4.5 Un-weighted GPA: 3.9	
• Coursework: AP Computer Science Principles, Advanced Placement Calculus AB, Engineering Principles III,	

PROFESSIONAL EXPERIENCE

Brand Associate, Old Navy - Miami, FL	March 2024 - August 2025
• Stocked and replenished merchandise according to store merchandising layouts. • Priced merchandise, stocked shelves, and took inventory of supplies. • Operated the cash register, processed transactions, and handled returns and exchanges efficiently.	
Tech Flex Leader, America On Tech, Inc. - Los Angeles, CA	2023-2024 Academic Year
• Participated in weekly technology classes taught by software engineers at leading technology companies. • Completed 80 hours of instruction in Data Science, to add to the skills learned over 80 hours of coding training in HTML, CSS, JavaScript, Repl.it, and Bootstrap. • Developed a portfolio of technology projects that illustrate understanding of web development and key Data Science skills.	
TECH360 Summer Boot Camp Student, America On Tech, Inc. - Los Angeles, CA	Summer 2023
• Gained 25+ hours of technical coding training taught by a professional software engineer. • Acquired technical skills in HTML, CSS, and Bootstrap. • Met with technology professionals at top companies through Career Days and Guest Speaker Sessions. • Developed a portfolio of technology projects that illustrated understanding of web development. • Placed second in the final group project - the creation of a mock business and an accompanying website - to technology professionals, who served as guest judges during the Demo Day Competition.	

ACTIVITIES

Engineering Magnet Program Student, Robert Morgan E.C.- Miami, FL	2023- Present
• Participated in field trips and experiences related to the fields of engineering and technology and gained experience in the fields of engineering and technology.	
Flame Program Student, Florida International University- Miami, FL	2023- Present
• Engaged in a challenging curriculum focused on real-world applications and project-based learning. • Participated in industry-focused workshops and attended lab tours incorporating cybersecurity, artificial intelligence, robotics, IoT and wireless communications, automotive and aerospace engineering, and 3D manufacturing.	
Mu Alpha Theta Member, Robert Morgan E.C.- Miami, FL	2024-Present
• Participated in mathematics competitions and peer tutoring sessions. • Organized and contributed to club fundraising by selling candy.	

AWARDS & ACHIEVEMENTS

• 2nd Place at TECH360 Demo Day.	Summer 2023
• Employee Of The Month at Old Navy.	April 2024
• College Board National Hispanic and First-Generation Recognition.	Summer 2024
• Graduated high school with Magna Cum Laude Honors.	May 2025

SKILLS

- Coding Languages: HTML, CSS, JavaScript, Python.
- Fluent in Spanish.
- Data Analytics.
- Experience with Excel, Matlab, and Solidworks.
- Customer Service
